2026/27

HAYGROVE SCHOOL
Progress for all

Opportunities at Haygrove

At Haygrove we believe that learning beyond the classroom is an essential ingredient for a successful school. Our aim is to provide a wide range of extra-curricular provision which we hope will ignite the interest and enthusiasm of all our students, also contributing to the development of character.

We offer an enrichment programme for each year group that includes a choice of activities from day trips to cities such as Bristol and visits to local attractions as well as a host of workshops, training sessions and unique classes based on the school site.

Funding for curriculum trips is available for students who are Pupil Premium Eligible. If you think you might qualify for help with paying for a school trip, please contact our Finance team before returning a completed Consent Form and any payment.

Most trips can be paid and consented for on the Scopay app. If you need help accessing this please contact Finance.

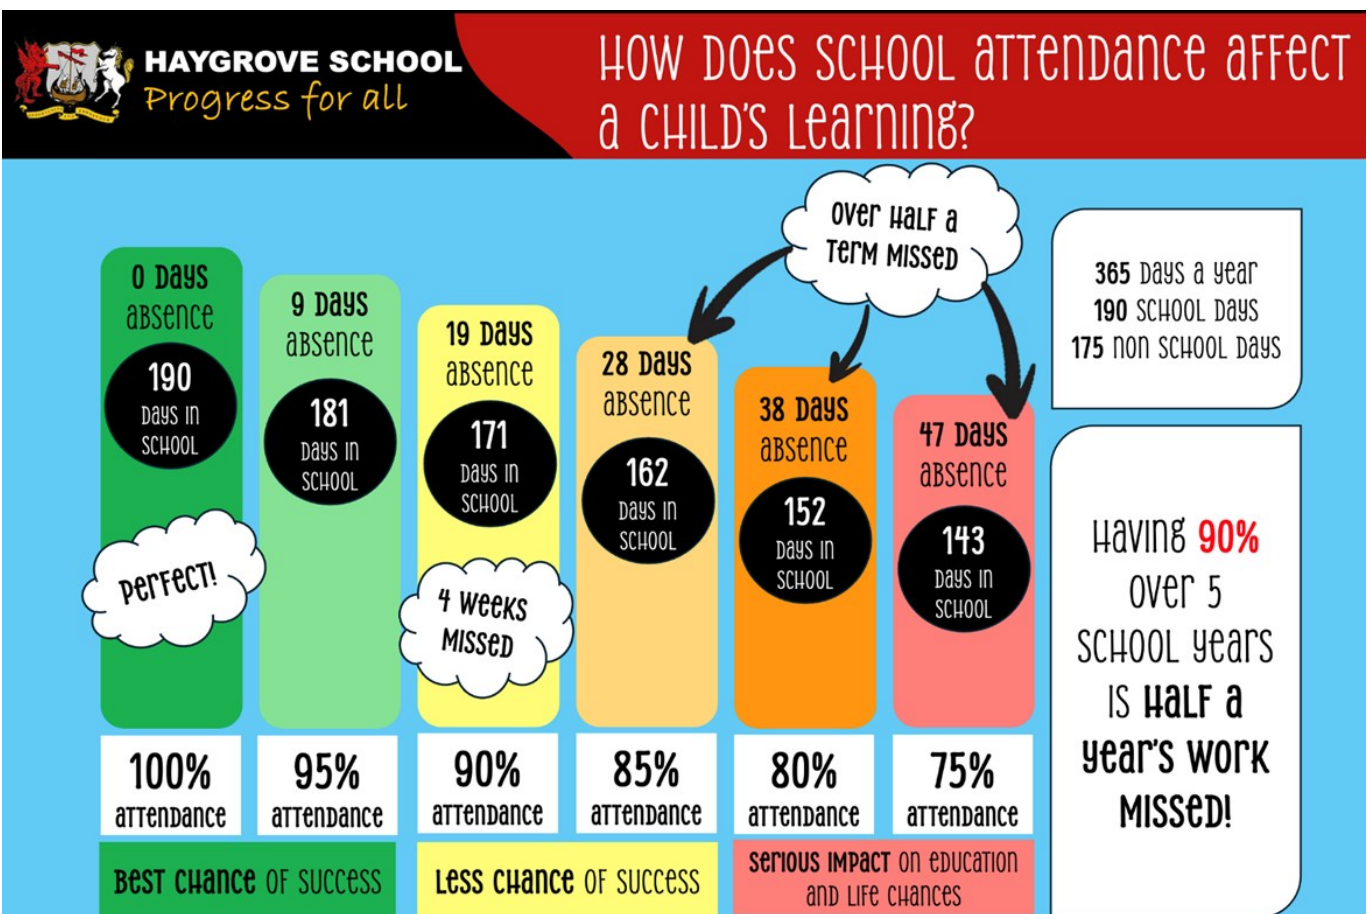

REMEMBER!

- ***Places on all school visits are subject to good school attendance and good behaviour. Each Head of Year is authorised to withdraw a student from a visit if these criteria are not met.***
- ***If there is not enough students signed up for a trip it will be cancelled.***
- ***Incase of oversubscription for a trip, we will conduct a random draw of names and you will be notified of a successful place.***

Attendance Matters

To make the most of all these opportunities, it's important that students aim for excellent attendance (at least 95% across the year) - this equates to no more than 9 days of absence. Every day in school counts, not only to achieve the very best academic outcomes but also to embrace every opportunity that Haygrove School has to offer. By being here, students can enjoy every activity, memory and achievement that makes Haygrove such a rewarding place to learn and grow.

Haygrove School 2026 - 2027 Enrichment calendar.

YEAR 7

Careers Fair

An opportunity to meet further education establishments and employers, so students get ideas for the future, as well as seeing how their subjects fit into employment. The whole school will visit the Careers Fair.

Who is this for? All Year Groups

When will this take place? Thurs 4 March

In school Activity

Wessex Water Visit

Wessex Water work with hundreds of nurseries, pre-schools, schools, colleges and universities every year to teach children and students about what we do.

They cover a range of topics, including water and sewage treatment, the water cycle, river studies, climate change and much more.

They also aim to educate future customers about how they can help protect the sewer network and the environment by saving water and flushing the correct items down the loo.

Who is this trip for? Year 7 students.

When will this trip take place? W/C 5 July 2027

This trip takes place during global goals week alongside the Year 7 Camp trip.

Estimated Cost: TBC

YEAR 7

Coleridge Cottage English Trip

Coleridge Cottage is a cottage situated in Nether Stowey, Bridgwater. It is a grade II* listed building.

The 17th century cottage was originally two buildings which were later combined and expanded. In 1797 the poet Samuel Taylor Coleridge rented the cottage. While he lived there he wrote many of his better known works.

Who is this trip for? Year 7

When will this trip take place? 29 June 2027

Estimated Cost: £15 Approx

Year 7 Camp

This is a 3-day, 2-night camping trip which aims to foster a community spirit amongst Year 7 and give all our students the opportunity to camp and have fun together. Students will take part in a range of adventurous activities and a walking activity. A kit list with additional items will be sent out before camp. Students will choose camping groups which will be accommodated in 2-person or 3-person tents.

Who is this trip for? ALL Year 7 students

When will this take place? Monday 5 July - Wednesday 7 July 2027 (7H, 7A, 7Y, 7G) or Wednesday 7 July - Friday 9 July 2027 (7R, 7V, 7E)

This camping trip takes place during global goals week alongside the trip to Wessex Water.

A letter confirming the final cost and other details will be sent home in advance.

Location: Llangorse Multi Activity Centre, Gilfach Farm, Llangorse, Brecon, LD3 7UH.

Estimated Cost: Approximately £230 Including coach travel, all food, insurance, all equipment, all activities. A kit list and menu details will be shared with students and sent home before the trip.

YEAR 8

We the Curious Visit

We The Curious (previously At-Bristol or "@Bristol") is a science and arts Centre and educational charity in Bristol, England. It features over 250 interactive exhibits over two floors, and members of the public and school groups can also engage with the Live Science Team over programming in the kitchen, studio and on live lab. We The Curious is also home of the United Kingdom's first 3D planetarium. The Centre describes its aim as being "to create a culture of curiosity"

Who is this for? Year 8

When will this take place? Spring term

Estimated cost: Approx £40

Careers Fair

An opportunity to meet further education establishments and employers, so students get ideas for the future, as well as seeing how their subjects fit into employment. The whole school will visit the Careers Fair.

Who is this trip for? All Year Groups

When will this take place? Thurs 5 March 2027

In school Activity

Ski residential to Cesana, Italy.

The week's skiing will be spent in Cesana Torinese, which is the central village within the Milky Way ski area. Cesana provides a good choice of slopes from which to progress during the week, whilst the traditional village offers a warm welcome to school groups with plenty to do off the slopes.

Who is this for? Year 9 and Year 10

When will this take place? 26 March—3 April 2027

Estimated cost: Trip full, waiting list available.

YEAR 10

Cyber Horizons Workshop by CyberFirst

Cyber Horizons is a local event run by CyberFirst, the school outreach arm of the NCSC and GCHQ. Cyber Horizons brings together local cyber, computing and tech industry specialists to run an exciting, engaging day of hands-on workshops and conversations, all designed to explain the range of careers in cyber to the assembled students. Students will have the chance to meet specialists in cybersecurity, AI, coding and web design. Will allow students to speak to those in the industry and will show how these topics are important.

Who is this trip for? Year 10 Computing students.

When will this trip take place? TBC November 2026

Estimated Cost: TBC

Silver Duke of Edinburgh Award

The Silver DofE is an award scheme which enables year 10 students to complete four award sections; volunteering, physical skills and an independent expedition (three days, two-nights).

The Silver award is the second level of the DofE Award. It takes a minimum of 6 months to complete if you have already completed the Bronze award or 12 months if you are starting with the Silver award.

Who is this for? Year 10 students.

When will this take place? Lunchtime navigation training every week and a weekend navigation training day on Exmoor. Two 3-day/2-night expeditions during the year; a Practice Expedition on Exmoor (Friday 30 April - Sunday 2 May 2027) and an Assessment expedition on Exmoor (Saturday 17 July - Monday 19 July 2027).

Estimated Cost: membership cost approx. £65, weekend Practice and Assessment expedition costs approx. $2 \times £70 = £140$.

YEAR 10

GCSE Science Live!

The students will gain insight into the cutting-edge science currently being done and how this relates to their GCSE curriculum. It will enhance the students learning and give them further context to relate their learning. Improving their schema and examples for key concepts. The students receive booklets from the organiser and also advice on how to answer GCSE questions from a Head Examiner. This is to stretch our top students and give them insight into research and careers at the top end. We can compare the results of these students to previous years and see if there is an improvement in the results of our HPA

Who is this trip for? Year 10

When will this trip take place? Tues 23 Feb 2027

Estimated Cost: £40

Geography trip to Bristol City Centre

Students will learn about the changes of urban regeneration via a boat tour using Bristol packet Boat Tours. They will study the sites and regeneration in class before going on the trip. Students will use their data in class after the trip.

Who is this for? Year 10 GCSE students.

Who is this trip for? All Year 11 students.

When will this take place? March 2027 (weekend)

Estimated Cost: Approx £40

Haygrove and Yew Wah International School, China

Knowle Hall - Somerset Cultural Centre

We are delighted to work with the Yew Wah Cultural Centre based at Knowle Hall (J23) to provide a range of activities completely funded by our partner schools from the Yew Wah Foundation. All students in years 7 and 8 will be offered a day working at Knowle Hall on collaborative sessions in Art, Drama, Environmental Science, Textiles, Space Detectives or gardening. These days will offer our students the unique opportunity to work side by side with students from China of their age on joint projects. These days are free of charge and a hot meal and transport are provided.

Knowle Hall also extends invitations beyond Bridgwater and regularly offers visit with visiting Chinese students to Eden Project, WildWood Escot Devon, SS Great Britain and Hinkley Point. We offer these visits to students throughout KS3 and, again, these are free to our students thanks to the generosity of Yew Wah.

In return our students are offered the chance to welcome the same students to Haygrove and act as a 'buddy' bringing them to lessons to experience life as a student at Haygrove!

Character Development

What to expect in 2027—2028

We're thrilled to announce a series of upcoming trips for our students in 2027/2028 !

These experiences are designed to support learning beyond the classroom, build independence, and create unforgettable memories.

- **Year 7 and 8 Camps** – A fun-filled few days of outdoor activities, team-building, and new friendships.
- **Modern Languages Cultural Visit to Barcelona and Paris**—Language, food, culture – an immersive experience like no other! Estimated cost £800
- **GCSE Geography trips**—Hands on studies outside of the classroom which will work towards GCSE course work. Costs vary between £15—£30
- **History Visit to Battlefields of Northern France**—Proposed for 2028

Key Info:

- Trip letters and full details, including costs, will be shared via email to the relevant year groups
- Financial assistance may be available to those who are Pupil Premium Eligible —please contact the school finance team for more information.
- Deposits are required to secure places – spaces may be limited!
